Dear Business Manager,

The Ickenham Festival Team is coordinating the Ickenham Festive Community Night on Friday 7th December 2018 between 6pm-9pm. The event will take place along Swakeleys Road shopping parade, Glebe Avenue, Village Hall, St Giles and URC Churches, and Community Close.

Entertainment will play during the evening, and local groups will run stalls in the Village Hall, Guide Hut, and around the village. Local community groups will be offering refreshments and entertainment in the Village.

The Council will make a grant for festive lighting along the shopping parades, **on the condition that we are able to raise money to match their funds.**

To assist with our planning we would like to know how you will be getting involved in the evening, so that we can promote and support you, and what financial contribution you can make towards our costs (£30 suggested) for the lighting.

With Best Wishes, Doug Neilson, Vice Chair, Ickenham Festival
